INSIDE A BARELY LEGAL GIRL

Hey! It's me, Lindsey. You guys, this mon... Stacy, stop laughing! It's not funny!

Okay, I better come clean: You guys, I am dictating this editorial to Stacy the intern because—yes, I know I'm blushing, Stacy, thanks—I can't type today.

It all started with Chloe Marree. I mean, she looks like a young Jessica Alba crossed with a young Jennifer Love Hewitt! Of course I had to rub one out!

Next came six-foot-tall Keegan's five-foot-long legs, which I couldn't help but picture wrapped around my waist, and then I couldn't help but put my hand down my pants again.

My fingers were already tingling when along came Emberly's pretty bush, followed by Keisha's eye-popping double Ds, followed by Crissy's sweet puffy nips, followed by—carpal tunnel in both wrists! I can't feel my hands!

You guys, I learned my lesson. Never again will I masturbate to every single girl in BARELY LEGAL. At least—not until next month.

How are *your* hands doing? ;)

Smart! Do you like to masturbate in the shower, too?
Yes—for that I have a waterproof vibrator.
Wow, you're like a sexy Girl Scout—always prepared.
I am! One time my vibe broke, so I used an electric toothbrush instead. It felt weird. LOL!
Maybe you need some backup toys.
I do! I really want a DP vibrator.
To practice for butt sex?
I already do anal. When I'm in the proper mood for it, it's amazing.
Have you ever come in your butt?
Tons of times!
Do you like when guys come in your butt?
Yes, I love to feel a guy squirting his load into my ass—into my pussy, too. It turns me on.

Be nice and thoughtful, and a little bit cheeky.
How would you describe your dream man?
Smart, sexy, adventurous, caring, driven, helpful, and great in bed.

DECEMBER 2013 PANTY WINNERS!

B.S. and D.B., your letters made us want to touch ourselves while sipping panty tea. Congratulations!

Hey Olivia,
Of course I want your panties. What a treasured gift from a beautiful, sexy young woman. And, thanks to your BARELY LEGAL spread, I can say beautiful and sexy all over.

Olivia, you have the cutest smile, and those big brown eyes are simply hypnotic. And then those perky breasts and cute nipples. WOW! But, of course, I'm drawn to the "panty zone." I love shaved! Full lips! A firm, round ass! And a tight little butt bud! Yum! You're perfect, Olivia!

So, these panties? Well, first, I wish you could deliver them in person, because then they would be warm and moist as well as scented and stained. Yes, Olivia, I hope you've worn them all day. That cotton thong? Perfect! Absorbent, and a snug caress of all the right places. Perfect for *panty tea*!

I'll first sniff, then breathe deeply as I hold your panties to my face. A touch of the tongue for a taste. A kiss! A long kiss before I steep the soiled and scented places in a cup of warm water for a minute or two. *Ahh*! Panty tea! The warm, moist, steamy scent and taste of a woman.

I'm fully aroused. Thank you, Olivia! Thank you!

B.S.
Colorado

Dear BARELY LEGAL,
Taylor's panties are a touch from heaven. Every day before I go to work, I'll touch them and know I can get things done. They will be my heart and soul. When I come home I'll feel them again and wish I had a girl who wore them around me. I love to know the panties are a true heart of the one sexy Taylor who had them on.

D.B.
Ohio

Dear BARELY LEGAL,
The ladies in the September 2013 issue were all hot. The girl who really had my cock throbbing was Chloe. The minute I saw her I felt good. Can I suck on her toes while she works out? I have plenty of tasty essence for her, I never get angry, and I'll bet we can come at the same time. I'd love to take some nude yoga classes with her.

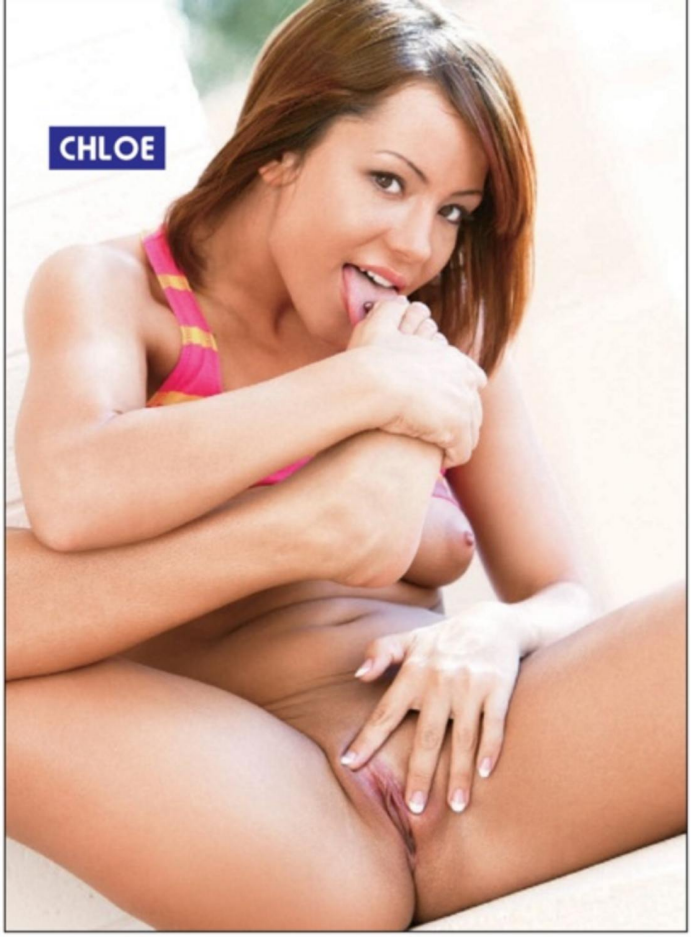
S.C.
Missouri

Hey, S.C.! Chloe's not quite ready to teach a class, but you can see her do half-naked yoga next month, in our May 2014 issue! Na-mmm-aste! ***—Lindsey***

Hi Lindsey,
I am a recent subscriber and just received my first issue, December 2013, although I've seen several of your magazines and DVDs. Congratulations on 20 years of entertaining lonely men like me with the most beautifully breathtaking girls. I hope you and all your BARELY LEGAL models know you are greatly appreciated. I love your magazine and look forward to my upcoming issues.

I am now 55 years old. I read in your response to another reader's letter (December 2013) that you and your models like older guys, which is nice to know, and I find comforting.

Question: Do your girls take personal letters or have fan



websites or are they willing to provide personal addresses and correspond with readers? If not, and I hope I wasn't being wrong in asking, I'd just like to let Sam in the August 2013 issue and Dalia Dayze, Chloe Foster, Marilyn, Chrissy Nova, and Olivia Wilder in the December 2013 issue know that they are all beautifully breathtaking and absolutely adorable. They are priceless, and to them I say, as Ms. Wilder said it best: All I need is love.

Daniel
Pennsylvania

Welcome, Daniel, and THANK YOU! It's never wrong to ask any question here. Unfortunately, our models can't provide personal addresses, but if you are online, you can write to Chloe, Chrissy, and Olivia on Twitter. They're on there all the time.

If you aren't online—don't worry. I will make sure that all the girls you mentioned see your letter. It's too sweet for them to miss! ***—Lindsey***

Hi Lindsey and everyone,

I want to rave about how exciting your *All Bush* issue is. What a fantastic variety of hairy pussies your girls have. I love to fantasize about how they all would tickle my tongue. I feel like a kid in an ice cream restaurant, looking at all the delicious flavors on the menu and wanting to order them all.

In her interview, lovely Bonnie says she would like to know whether readers would eat her pussy if she leaves it hairy and doesn't shave. I guess my answer is obvious. I'm drooling right now just from fantasizing about it.

I have a question which will make me seem like a foolish old man, but I'd like to ask it anyway. Do you think Deedee D'Angelo would allow a man to come on her glasses? I think it would be exciting, especially after eating Deedee's beautiful hairy pussy.

Thanks for reading and have a great day.

R.N.
by Internet

Not foolish at all, R.N.! Deedee would totally let you jizz on her glasses. So would Taylor Renee (look all the way to your left), and so would Jonni Hennessey from our May 2013 issue. They have all basically told me, Hey, if I have to be a four-eyes, might as well have fun with it!

By the way, if you're into All Bush, see below. ;) ***—Lindsey***

Dear Lindsey,

Don't worry about those other guys that don't like hairy pussy or penetration. I think your magazines are very sexy! And a man that would not eat pussy is a dumbass! Pussy is the best thing ever, whether it is hairy, shaved, big, little. Pussy should be put on a pedestal!! The woman's body is the most beautiful thang ever! I love you girls!! Thank you, Lindsey!! For giving us BL!!

J.C.
Kentucky

Thank you, J.C., for making my pussy all tingly. A turned-on pussy is the BEST best thing ever! ***—Lindsey***

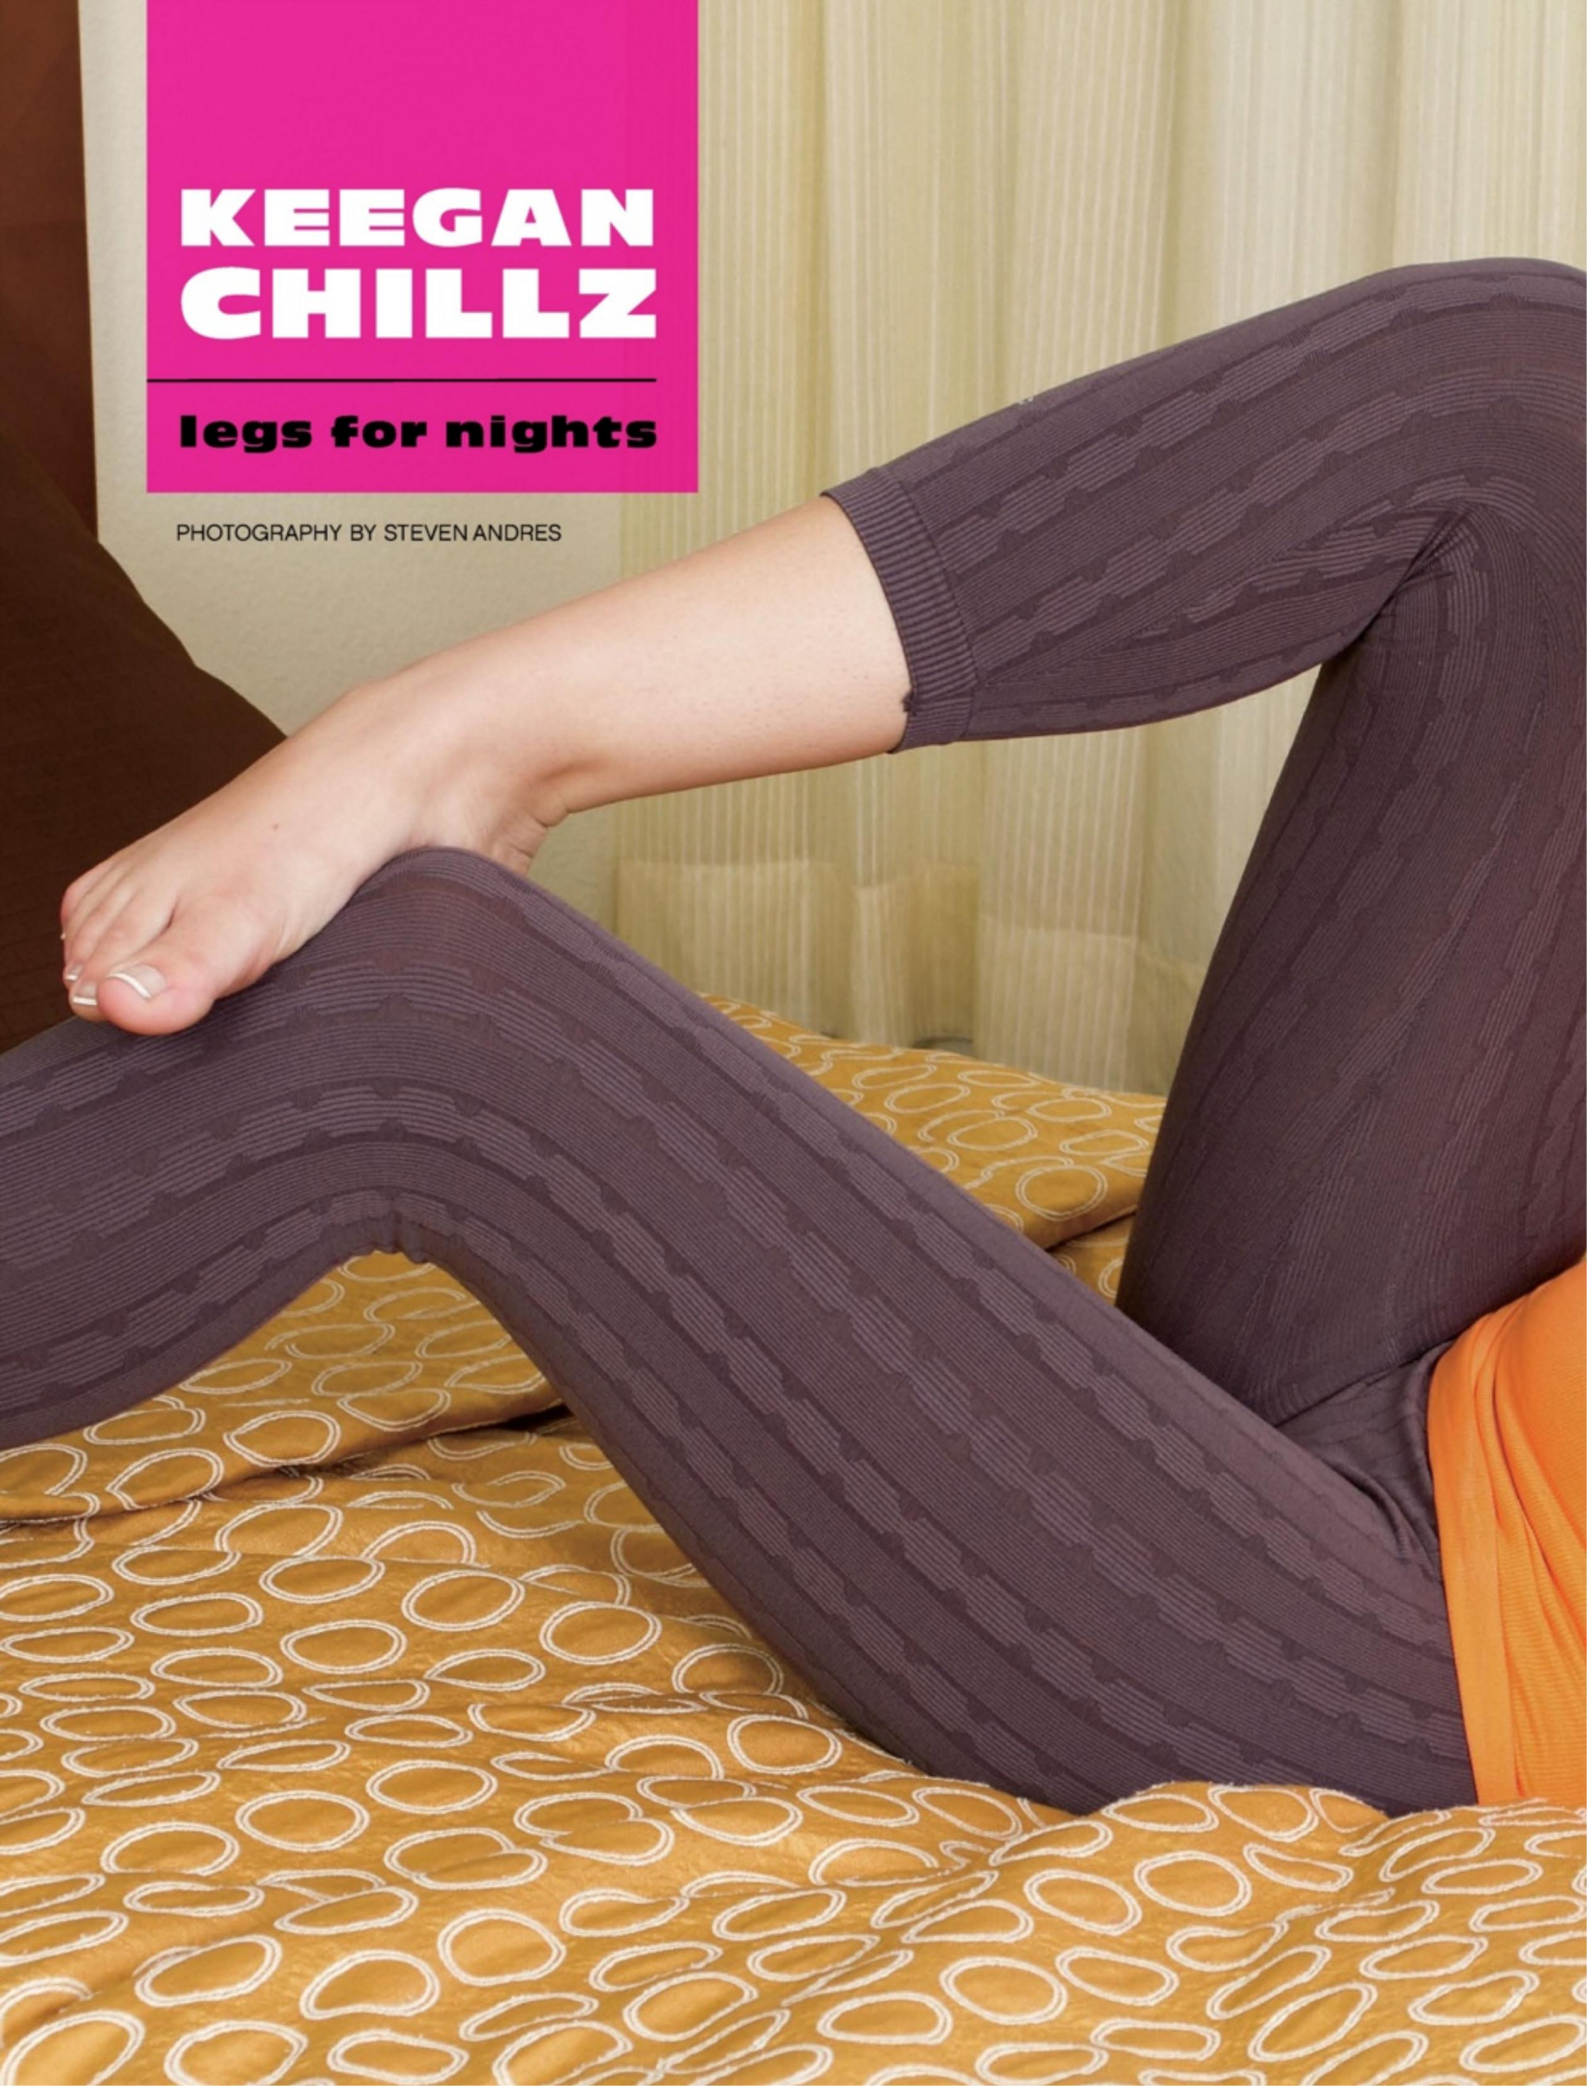
KEEGAN CHILLZ

legs for nights

PHOTOGRAPHY BY STEVEN ANDRES



Hey, everybody! It's Stacy the intern. Six-foot-tall porn starlet Keegan calls herself a "gentle giantess." She got that *half* right.

Keegan, just your legs alone are taller than me!
LOL! The better to wrap around you, my dear.
Would you really do that to me?
Sure! Although I prefer wrapping my legs around guys—especially when they're shorter than me.
Do you like fucking shorter guys?
I love fucking guys of all sizes—they just have to have a big bed. A king. Better yet, a California king. I need room to go crazy!
Are you pretty wild?
Well, I lost my virginity in a threesome, so you be the judge!
Wow! I see why you went for a porn career.
I *love* porn. I watch it all the time. It's better than sitcoms. LOL!
What else do you do for fun?
I go camping, hiking, boating, fishing. I hang out at the beach. Anything near the water, I love.
What about sex near the water?
Sex anywhere! It's my number-one workout.
What's your favorite way to fuck?
Doggy-style, *rough*. I want the guy to grab my hips, spank me, pull my hair, and stick a thumb way up my ass.
Oh, my!
I'm also way oral. I'm awesome at sucking cock, and I *love* to swallow.
Do you have any favorite fantasies?
I want to squirt into a cup and drink it. I want to join a nudist colony and be around other naked people. Someday I want to have a boyfriend and fuck him while another guy listens outside the door.
You're, like, the perfect porn girl.
I know—so why have I made only two movies? Somebody sign me up for more! ★

KIRA

looking for mr. right

Hey, it's Lindsey. Once in a while I like to bring back a favorite girl from long ago to see if she still looks cute. Spoiler alert: Kira does!

Hey, Kira! What's been going on since the last time you were here (December 2008 and June 2009)?
The biggest news is, I got engaged...
Congratulations!
...and then dumped.
What? How?
Well, when Charlie asked me to marry him, I told him all about myself, including my time nude modeling. 'Cause I believe in complete honesty in relationships.
Of course.
I thought he was fine with it. Then one day he said he wanted his future wife's vagina to be a mystery, and mine might as well be on a billboard.
Harsh!
(*Sighs.*) It never would have worked out anyway. He was always turning the lights off when we had sex.
You like the lights on?
Yes! I want to see who's inside me! And I want *them* to see *me*.
I'm so sorry.
It's okay. You should be happy he dumped me, or else I wouldn't be here!
Do you still like posing nude?
Yes. It's still a turn-on—and I think I look good for 22!
You look amazing. Have you started dating yet?
Yes, I've been hooking up with lots of different guys. It's the best medicine for a broken heart.
Do you think you'll ever fall in love again?
Maybe. It has to be the right guy. He has to be sweet and tender, but also like it rough sometimes, and in the butt, and not mind if I want to bring a girl home once in a while. And he has to leave the lights on!
I'm sure you'll find him someday. ★

"I'm a bubbly bombshell!" declares 19-year-old **Alex** from Walnut Creek, California. "I'm down to try anything, especially if it makes my kitty purr! Meow!" This 5-3 dynamo says she's always "wet and ready," no matter where she is: "I've had sex in a McDonald's bathroom, on the beach, in a park, all over the place. Nowhere is safe. LOL." Open-minded Alex loves "playing with other girls" (yay!), but her best sex talent is boy-related: "I give the greatest head around." The currently single cutie's fave sexual activity is "having my hair pulled doing it doggy-style, especially as I get my ass smacked," and she sometimes adds "chocolate, honey, maple, or flavored syrups" to the mix. (Could she *be* any sweeter?) In her free time, Alex enjoys watching porn, dancing, and hiking, and she says she makes a great girlfriend "because I'm usually topless and in booty shorts if I wear anything at all. I just love being naked." Alex, you make *our* kitties HOWL. *—photos by friend*

Hey, everybody! *Am I really in BARELY LEGAL? LOL! It's not the sort of thing I ever imagined I'd do. I've always been goofy and a little shy and, well, virginal.*

My friends gave me a hard time about it. Everybody was losing their V.'s, and I was like, What's the hurry? Why grow up so fast? I had kissed some guys and let them touch my boobs, but that was it.

Then—I met someone special. I hope my diary will be an inspiration to inexperienced girls everywhere, and that it makes everyone horny. ;)

December 11

Less than two weeks till Christmas break! I like high school, but I've been *crazy* busy. This semester I took art history, Western civ, British lit, and—OMG—AP Spanish! What was I thinking?! I really want to master a second language and maybe teach ESL one day, but dang!

My girlfriend Alana tells me I should take "masturbation breaks." She was bugging me on the phone tonight.

"Stop reading and rub one out," she said. "It will ease your stress—I promise."

Alana is ridiculous.

* * *

Okay, I have to hand it to Alana. (No pun intended—LOL.) She was right. I feel better.

Studying had reached the point where I literally could not see straight. I left the pile of books on my desk and flopped onto the bed. I knew I'd never wake up if I fell asleep, so I turned the TV on.

I was too tired to focus. My mind wandered. I haven't told anyone, but I have a serious crush on a guy in Spanish class. His name is Conor. He has the biggest, prettiest eyes and adorable dimples. And he's *smart*. He should tutor me. ;)

I started imagining what it would feel like to kiss him, for him to touch me. I wondered what his mouth would taste like. I wondered if he'd go down on me. Being licked is my number-one fantasy.

I pulled down my PJ pants. I spread my legs and stroked my clit softly, imagining that my finger was Conor's tongue. I flicked it against my hole. I was so wet!

I slid part of my finger inside, carefully. I get nervous sticking it in too deep, but the more I thought about Conor, the further I went. I had never felt myself that deep inside before. It was tight but soft, and *so* warm.

I pressed my thumb against my clit while jiggling inside my hole. Girl-juice dripped down my fingers. I rubbed faster, panting. My pussy welled up, and I came. It was so intense I wanted to scream, but I had to be quiet 'cause the fam was home.

My legs were quivering, but I was super relaxed. I blew off studying and went right to sleep. Alana was right—I needed that!

December 12

It's typical for our Spanish teacher to team classmates up for exercises. She randomly picks two names, and that's your partner. Of all days, I was paired with Conor. OMG. He scooted his desk across from me. We were face-to-face. My cheeks burned, my heart pounded. I could barely make eye contact. Conor is a super nice guy and always says hi and stuff, but we had never really talked.

He smiled at me. Those dimples!

"I'm glad I got paired with you," he said. "You're definitely one of the best in the class."

"I don't know about that," I blushed. "But thanks."

"Well, you're smart," he said.

"You are, too." I was about to die.

We conjugated, like, one million verbs. At some point he dragged his desk next to mine. We were side-by-side. He'd lean in and point at things in my workbook. I could smell him—*yummm*. Then it happened.

"So, maybe you'd like to hang out sometime?" he said. "We could study or whatever, maybe get something to eat."

Did Conor just ask me out??? OMG OMG EEEEEK!!!

December 14

Conor and I are meeting at Burgers 'n' Fries Guys. He texted me earlier today all, Dinner's on me. What do I wear? I tore up my closet before finally settling on skinny jeans, a purple sweater, and knee-high boots. Okay, I'm going to get ready. So nervous!

* * *

I'm dizzy. In a good way.

We ate cheeseburgers and fries and shared a chocolate milkshake. Two straws in one glass—isn't that romantic? At first we talked about school. We spoke in Spanish for a while and laughed. He's really funny, even *en español*! We talked about life. He wants to join the Peace Corps. Awesome! I love caring people.

We felt way too full after all of that food, so we took a walk. It was cold outside, but it felt good, especially when he took my hand. My heart leapt. We strolled to a quiet little park. We sat on a bench under a huge oak tree and watched the stars. It's like a movie, right?

"Your hands are cold," Conor said, rubbing them between his palms. "Here, put them in my pockets."

I giggled nervously and slid my hands into the pockets of his down hoodie. He wrapped his arms around me and pulled me close. I was warm all over. He kissed me. What a great kisser! He didn't jam his tongue in my mouth and slobber all over the place. His kisses were soft and slow, with a little tongue here and there.

He slipped his hands under my sweater. I squealed.

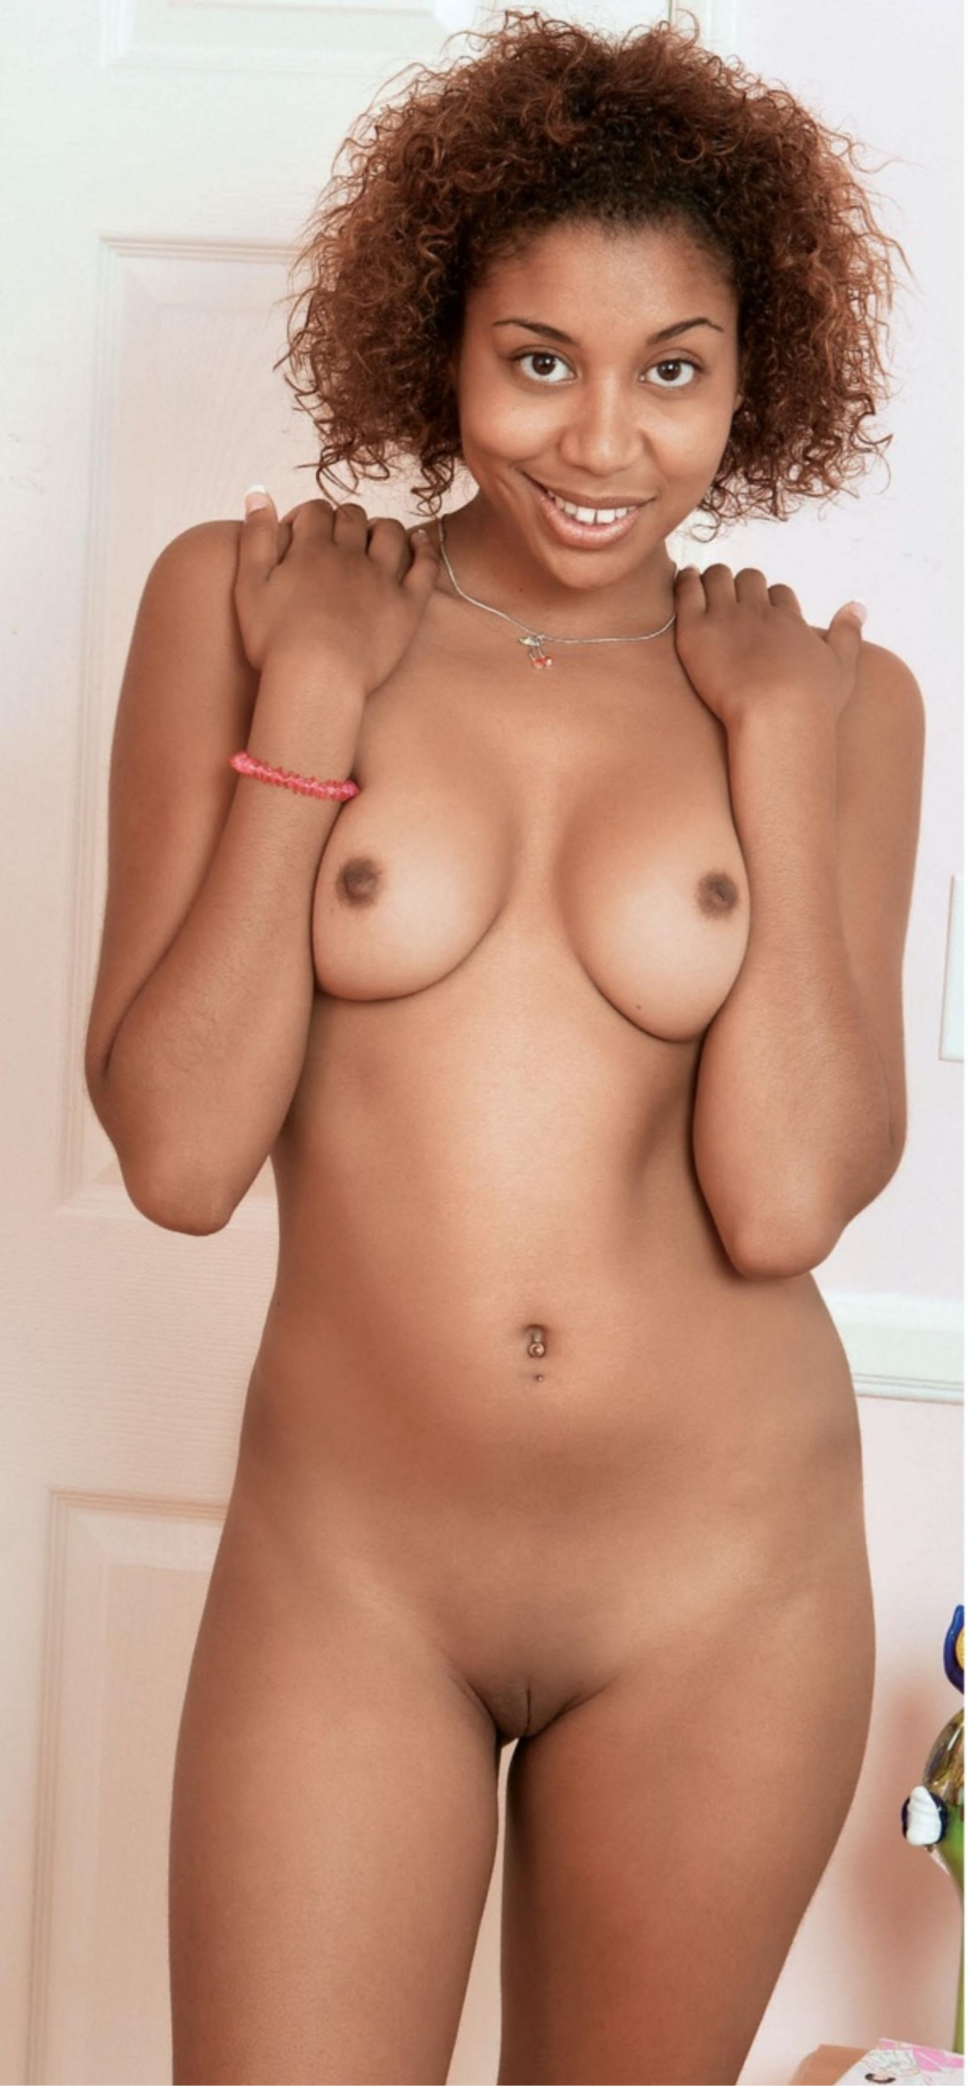
"*Eeeek*! They're cold!"

"Sorry," he said. "Let me warm them up for a sec."

He ran his hands up and down my back. They warmed quickly, like they were melting into me. They circled my waist and crept up toward my boobies. I broke out in goose bumps, but not because I was cold. He slipped his hands under my bra and rolled his palms over my nipples. My body was tingling, especially my pussy. Conor fumbled with my jeans.

"Can I touch you down there?" he whispered.

I unzipped and scooted my pants down so he could reach inside my underwear. I can't believe I did this in public! But it was dark and quiet. No one would see.



Conor laid his hand gently against my mound and rubbed in a circular motion, stroking my clit with his middle finger at the same time. Our kissing got deeper and harder. He dipped his finger in my hole, just barely, his thumb gently massaging my clit. For the first time ever, a real-life boy was making me come. It was heaven.

He's all I can think about now. My vagina is still throbbing.

December 16

I survived Monday but missed Conor desperately. Our Monday schedules are no good. Different buildings at different times, and we don't even have the same lunch period.

I couldn't concentrate. My mind wandered and I didn't hear a word that any of my teachers said. Plus, I had a girl-boner all day. Now I understand how guys must feel. I'm sorry for them. At least girls can hide it.

December 17

I was so excited to see Conor in class today! Just looking at him made my stomach all flip-floppy, almost like I wanted to throw up, only it felt good. We kept glancing at each other and smiling. We're having a study date tonight. I wonder if we'll get anything accomplished.

* * *

Well, we did study. A tiny bit. We mostly studied each other's bodies.

I went to his house. His folks were out of town. (I know, right?!) We sat at the island in the kitchen and spread out our books. We quizzed each other on vocab for a while but kept giggling and playing footsie like total dorks.

"Let's take a break," he said, taking my hand and leading me to the couch. He grabbed the remote.

"You like Syfy?"

"Sure," I shrugged. Not really, but I wasn't paying attention to anything but him anyway. Some buff guy zapped an alien with a laser gun. Conor threw his legs over the side of the sofa and rested his head in my lap. I leaned down and kissed him. He was so close to my pussy. I got bold all of a sudden.

"Have you ever," I slid the waist of my yoga pants down, just a little, "had your mouth down there?"

"Are you kidding?" He looked at me in shock. "It's my favorite!"

I stretched out on the couch. Conor flipped over and pulled my pants off. I bent my knees. My legs fell open. He pressed his nose into my undies.

"You smell amazing," he whispered, inhaling deeply.

His lips brushed against my crotch. He pulled my panties aside and nuzzled my bare pussy. He flicked his tongue against my clit. My body throbbed. I lifted one leg and

slid my panties down till they dangled from my ankle. He ran his fingers from my thighs all the way to my toes. I giggled when he tickled them.

Sliding his hands back up, he grabbed my hips roughly and clamped his mouth around my pussy. He poked his tongue in my hole. I was going nuts. It felt way beyond what I'd dreamed, like another dimension. He sucked my lips hard.

"Keep doing that," I moaned, hips rocking. He licked and sucked. I was coming.

"Omigod, omigod."

For once, I didn't have to be quiet.

"*Ah ah ah yeaaahhh*!"

The most amazing thing ever! I want my pussy licked all day, every day!

December 20

AP Spanish final was yesterday—it was *rough*. Conor is convinced we both knocked it out of the park, but I don't know what to think. Either way, we're going to celebrate tonight.

December 21

Slept in late today after the most incredible night of my life. So *hmmm*...what could have happened? Did it have to do with losing something that begins with a *v* and ends with an *-inity*?

OMG!!! :D

Conor's folks were still out of town, so we had pizza delivered to his house. We ate, laughed, and danced around like spazzes. I'm so comfortable with him.

Conor started tickling me. I squealed and we toppled onto the living-room carpet, rolling around till he stopped with me on top of him. He kissed me harder and deeper than usual. I wrapped my arms around his neck and pushed myself against him, grinding into his crotch.

Something just snapped inside me. I sat up, straddling him, and whipped off my top and bra.

"Oh, fuck," he gasped, rubbing my tits.

Conor never cusses! I unzipped his fly and pulled out his dick. I never do that! I squeezed his boner, stroked it. It was *big*. I didn't even know what I was doing, but he was into it.

"Take off your pants," he panted. "Please."

I rolled onto my back and wriggled out of my jeans and undies. I was 100 percent naked except for my socks. Meanwhile, Conor had undressed. He left his socks on, too—LOL! He crouched over me, kissing my lips, my neck, my tits. I was hot and tingly all over. His dick nudged my thigh and grazed my pussy.

The thought of my first time always scared me a little bit. Would it hurt? Would I be lame in bed? But this felt perfect. I wasn't afraid.

I spread my legs. The tip of Conor's cock poked gently at my hole. He was slow and careful as he slid it in. He knew I was a virgin.

Inch by inch, he filled me till he was all the way inside. It felt full and tight, but it didn't hurt. Actually, it was the greatest feeling ever. I'll never forget it.

I wrapped my legs around his waist. We fell into a rhythm. He slipped his hands under my booty and pushed himself even deeper in. He sucked my nips. I was flushed, sweaty, my eyes rolling back in my head. I was in a trance.

"Oh. Oh. Okay," Conor huffed. "Here I come. Here it is—AHHH!"

He pulled out. Hot cum splattered my boobs and belly.

I did it! And I can't wait to do it again!

December 24

Christmas Eve! Conor came by and brought me a present, a beautiful gold necklace with a heart pendant. I guess that means that I am officially his girlfriend.

I might be in love with Conor. Maybe. What's for certain is that I am in love with sex! What took me so long? ;D ✶

THE NEW ADVENTURES OF CRISSY

Hey, it's Lindsey. Let's catch up with our thrill-seeking June 2013 Teen Queen and cover girl, Crissy!

Hey, Crissy! You're looking a bit less tomboyish than you used to.
I've been discovering my softer side.
You don't do extreme sports anymore?
No, I still do—but, well, I met a guy.
Oh. Really?
Joe is athletic like me, but he also likes to just hang out and watch movies and cuddle. Sometimes we'll be watching TV, and the next thing I know, we've been on the couch for six hours.
That doesn't sound like you at all.
I know, but, I mean, you can't stay exactly the same your whole life.
When's the last time you did some kind of crazy sport thing?
I skydived a few months ago.
That's the Crissy I know! How was it?
It was amazing. I'm glad I got it out of my system.
What? You're not going to do it again?
No. I crave different things now. All I want is to get home and be with Joe.

And cuddle for 14 hours?
We don't just cuddle! We have the best sex ever.
Okay, now this is making sense to me.
He's, like, a genius at foreplay. He'll massage my feet for hours before he even comes near my cooch. My pussy will be dripping and throbbing like crazy.
So you jump on him and fuck him?
No! I'm just a puddle. Completely helpless.
And you *like* that feeling?
Omigod, Lindsey. The tip of his cock just brushes against my pussy and I'm coming...
Sounds great.
It is! Joe is all I need. That rush I used to get from sports, I get from his body. It's the biggest turn-on ever. I can't stop it!
Well...I guess change can be good.
Aw—don't worry, Lindsey. I'm still me. I'm just on a different adventure! ★

TAYLOR DARE

to tell the truth

Howdy! It's Stacy the intern again. Porn starlet Taylor is totally asking for trouble with that last name!

Taylor, I *dare* you to tell me the truth in this interview.
I have nothing to hide!
What's your most embarrassing secret?
Okay—for a long time I've been trying really hard to squirt.
That would be hot!
Yeah! So, one day I was on top of this guy, squeezing and grinding like crazy, and I finally felt something. I started yelling, "It's happening, it's happening," and this hot liquid came gushing out of my pussy—and it was pee. I peed all over the guy.
Oh, no! How did he react?
He couldn't stop laughing. At first I was upset, but then I laughed, too. I mean, when you think about it, sex can be pretty funny.
What is your weirdest obsession?
Keeping my skin soft. I'm, like, a lotion addict. I'm always rubbing it on myself. Or asking someone else to rub it on me. ;)
Cum is supposedly good for your skin.
It *definitely* is! I love when a guy comes all over me—especially my face, neck, and upper chest. The most delicate skin areas.
What's the dirtiest sex you've ever had?
Anal. I liked it, but I had to ask the guy to slow down. :(It's *tight* down there.
What's the wildest thing you've ever done?
My friend dared me to get caught speeding and try to BJ my way out of a ticket. And I did!
That sounds scary!
It wasn't scary at all. They didn't even put me in handcuffs.
Do you *want* to be handcuffed?
Mmm, yeah—that's my favorite fantasy, to be cuffed and bent over the hood of a cop car and slammed hard while the red light is spinning.
I don't think I have any more questions! ★

BARELY LEGAL #139

HUSTLER Video. Starring: Kennedy Leigh, Courtney Shea, Jericha Jem, Sami St. Clair, Mia Mae, Will Powers, Eric Masterson, Ryan Driller, Alec Knight, and Van Wylde.

The theme of this movie is yachts. So glamorous! Will Powers wants to show Courtney Shea how the ship's controls work, but instead she kneels down to service his cock. It's obvious that this isn't her first mate—LOL! They fuck every which way before he shoots a wad in her mouth and—OMG—her eyes, too! It doesn't bother her one bit—in fact, she blows bubbles with his cum. How cute is that? Exotic brunette Jericha Jem is on her hands and knees polishing some shiny thingy on the wall of the boat (sorry, I'm not a ship scholar) when Eric Masterson stops by to check out her "work." Soon his hands are all on deck. Jericha loves riding cock and doing it doggy, but blowjobs put her in a trance—when Eric compliments her beautiful eyes, she's too focused on slurping his balls to acknowledge his romantic observation. Sami St. Clair has been scrubbing the deck and washing windows—what's with these girls working so much? LOL!—but when Ryan Driller arrives, it's all play. Ryan licks and fingers her pussy until it's soaked so Sami can bounce like a buoy on his cock. After, he blasts her pretty boobies with jizz. Beats suntan lotion any day! Gorgeous blonde Kennedy Leigh's luscious lips and full, bouncy tits caused a tidal wave in my coochie. Van Wylde fucks her in about a million different positions, then pumps a sea of splooge in her mouth. Kennedy swallows it all—tastes better than a piña colada! Adorable Mia Mae's tiny titties and sweet ass inspire captain Alec Knight to offer a mouthful of his dick, which Mia happily accepts. But as much as she savors peen, she's an even bigger fan of sucking balls. The girl can't get enough of his sac! The captain returns the favor by diving into Mia's cute pussy, and she moans and thrashes so wildly I was sure she'd wind up a woman overboard. This movie made me wetter than the ocean, and it will definitely rock your boat!

We want to swab Sami's poop deck.

Courtney loves seamen.

Try not to go overboard, Mia.

Kennedy's all,
Don't forget about the
little man in the boat.

Jericha is feeling
naughty-cal.

Aye aye AYE,
captain!

CIERRA

naughty puss

I like boning best from behind," reveals Cierra. "Does that make me a slut? My best friend Shauna says it does. She's like, 'Only flabby old hags who've lost their looks do it doggy-style. They *have* to be nasty. We don't have to do anything but be 18 and hot.'

"I'm sorry, but it feels *awesome* when I'm on all fours and a dude is sticking his dinger in me so deep it feels like it's going to pop out of my mouth. Shauna doesn't even know about the dream I had the other night. I was on my hands and knees, and there were *two* guys behind me. One was inside my cunny, and the other actually had his peener jammed into my butthole! I woke up in a giant puddle of girl goo.

"Now I'm totally obsessed with making my dream come true. I mean, whatever. I'm a slut anyway." ★
